

## Railway Tie Association

As the official publication of the Railway Tie Association (RTA), every issue of *Crossties* is read cover-to-cover by its members. Organized in 1919, RTA actively promotes the value and environmentally sound use of pressure treated wood crossties. The association is involved in research, economic analysis, forest management and conservation, wood preservation and other industry matters—all of which are reported in *Crossties*.

## Advertising In *Crossties*

### Increase Revenues, Drive Leads & Reach The Top Industry Decision-Makers with *Crossties* Magazine!

*Crossties* readers are the decision-makers of the industries responsible for producing and using wood crossties. Executives who need to stay informed of industry-specific data read *Crossties* cover-to-cover. *Crossties* readers span the industry—from sawmill; to wood preservation plants; to designers, builders and maintainers of railroad track and other products and services.

***Crossties* is the ONLY source of news and technical information devoted to this dynamic industry!**

### Efficient, Effective & Affordable...

- RTA members receive each issue in their mailbox and their e-mail in-box thanks to the NEW DIGITAL EDITION.
- As RTA's regular communication with members, *Crossties* is a must-read for members as well as others involved in the hardwood railroad cross-tie industry.
- *Crossties* is targeted & focused. Advertisers pinpoint an industry generating hundreds of millions of dollars with ad rates that make the best use of any budget.
- Because it targets industry decision-makers, *Crossties* helps you reach nearly 100% total market penetration...with no wasted circulation.
- Ads in *Crossties* are effective—they produce results!

### New Digital Issue Extends Your Reach Even More!

*Crossties* increases your reach and stretches your advertising budget better than ever before with our new digital edition. Now available for access on your computer, smartphones and other mobile devices, the new digital edition of *Crossties* offers advertisers completely new, creative ways to reach their busy, on-the-go customers. The digital issue is also distributed to members and readers of:

- American Short Line and Regional Railroad Association
- National Railroad Construction & Maintenance Association
- Hardwood Market Report
- State Forestry Associations
- Rail Industry Associations

*"No publication is more effective at reaching and influencing the major tie customers. Crossties magazine is critical to our success."*
